

## **ProtectMyVote.org Helps Protect Your Right to Vote**

Every U.S. citizen has the right to vote and have our votes count, but human or computer error and unfair actions may stop you. **ProtectMyVote.org** gives you the information you need to protect your right to vote. Our job is to help prepare you before you go to vote to prevent problems.

Call Toll Free **1-(866) Our-Vote / 1-(866) 687-8683** for English and español

Call Toll Free **1-(888) Vey-Vota / 1-(888) 839-8682** para la ayuda en español

You've heard about voting problems in Florida 2000 and Ohio in 2004, but machine failures, mistakes and even unfair elections policies can make it hard to vote no matter where you live. Don't let this stop you from voting.

### **ProtectMyVote.org has Important voting information including:**

- ✓ How to find out if you're registered and where you should vote
- ✓ Tips to make sure your vote is counted
- ✓ A voters' rights checklist you can print and bring with you when you vote
- ✓ Toll Free Hot lines to report problems and get help
- ✓ Registration and absentee ballot deadlines and much more!

### **ProtectMyVote.org tells you what to do if you have problems voting:**

- ✓ Your name is not on the voter rolls
- ✓ Someone "challenges" your right to vote
- ✓ Your voting place is moved, closed or has long lines
- ✓ A machine stops working while you're voting
- ✓ You get bad information or face other problems

Help spread the word. Share this article with all your friends and family. Tell them to visit [www.ProtectMyVote.org](http://www.ProtectMyVote.org). Download a flyer and share it at your place of worship, shopping centers, meetings, schools, and any other place you think of.

**ProtectMyVote.org** is a nonpartisan effort to help you protect your right to vote.
